ANNUAL REPORT OF THE COMMITTEE OF MANAGEMENT, SEASON 1964

To the Members of the Richmond Football Club,
Ladies and Gentlemen,

After a considerable re-organisation within the Club, which affected committee, team-coaching and players alike, your Club enjoyed its most successful season since 1957. The performances of your team were improved by an alteration to its traditional form of play, from an outmoded mark and kick game to the speedy, play-on style. Results attained during this difficult transitional period were reasonably satisfactory. Team-building is a very difficult enterprise amidst the fierce competition experienced within the Victorian Football League.

Several factors hindered our ability to show a dramatic improvement this season. Len Smith's heart-attack was a cruel blow on the eve of the first game because he was the key to our efforts to introduce this new style of game. However, Len's recovery ensures that the promotion of his methods of play will continue and our performances will improve as a result. Serious injuries to Ian Hayden, Tom Garland and John Perry robbed us of valuable players very early in the season and this loss was further aggravated by a disappointing loss of form by several of our most experienced players.

Special mention must be made of the splendid efforts by Dick Harris and Jack Titus, two former champions, who readily substituted for Len Smith when he became ill. Both did a wonderful job under very difficult circumstances.

This season's financial statement records a deficit for the first time for many years, which is mainly attributable to an unfavourable decision on the Ground Management Award by the Acting Minister of Lands. The deficit figure closely corresponds with our surplus of last season, as well as our margin lost between last season's gate receipts and those of this year, following the amended Award. Another contributing factor was the well-merited decision to hold an extended end-of-

season trip to Surfers Paradise as a vote of thanks to the players upon their improved performances. The decision on the Outer Grounds Award was a truly remarkable one when it is realised that it was made by an Acting Minister who consistently refused approaches by the V.F.L. to review it. The numerous V.F.L. levies continue to be a burden to the majority of Clubs. However, despite this deficit, our Balance Sheet indicates that we have very substantial assets and that your Club is in a sound financial position.

Reports of an impending commencement on the long-projected Punt Road Widening Scheme caused grave concern to your Committee of Management. The disastrous effect of the scheme upon the capacity of our Ground caused us to negotiate for the playing of our home matches on the Melbourne Cricket Ground in rotation with the Melbourne Football Club. At the time of this Report going to press, we are most confident that a triangular agreement will be reached between ourselves and the Melbourne and Richmond Cricket Clubs. The excellent facilities of the M.C.G. will be an attraction to our members and the general public alike. The proven drawing power of the ground ensures the financial success of the venture. Your Club will receive a tremendous recruiting medium by playing on this acknowledged home of our game. By retaining our headquarters at Richmond, your Club's identity is safeguarded, a problem which could arise under a different arrangement. It is generally conceded that your Club will receive a considerable boost from the venture.

Despite a difficult draw in the match fixtures for Season 1965, we are confident that our improvement will continue. Our top recruits of 1964 in Smith, Dimattina, Hammond, Perry, Davenport and Gowers will improve after a season's experience. Second-year players Brown, Madigan, Garland, Warner and Hogan will be top players in 1965. Once again, our recruiting campaign has been intensive. Ian Hayden's successful knee operation will return one of our key players.

Your Committee intends that your team will continue its rise up the premiership ladder and promises that no effort will be spared to ensure that this ambition is achieved.

OUR No. 1 MEMBER

We were honoured to have His Excellency, the Governor, Sir Rohan Delacombe at two of our home matches during the season. The Vice-Regal party was pleased with both matches and Sir Rohan has indicated that he is anxious to attend in the future, whenever his duties permit him.

PRESIDENT

Despite the demands of a very busy legal practice, Ray Dunn agreed to become President of your Club upon the retirement of Maurie Fleming, at the commencement of Season 1964.

By making the extensive personal sacrifices necessary to ensure the success of his term of office, Ray has set a pattern of self-sacrifice for everyone to follow in order to lift your Club.

Ray's fine business brain has been instrumental in revitalising your Club's administration, whilst his legal experience has made him the key figure in negotiations for the usage of the M.C.G. next season. His fine hospitality at the Club, as well as at his home, has helped to rebuild the Tiger spirit by bringing the players together at regular intervals.

Ray Dunn is dedicated to the task of restoring the Tigers to a prominent position on the premiership ladder and it can sincerely be said that his first year of office has carried us closer towards this goal.

PATRON

Upon his retirement as President, Maurie Fleming was unanimously elected to the office of Patron by your Committee. Maurie has continued, in his new role, to be of great practical assistance to the Club.

A Dinner was held by the Club, prior to the commencement of the season, to honour his fine service and was attended by many of his friends, who helped to make it a real success.

THE COMMITTEE

Several changes took place within the Committee during Season 1964. Al Boord and Jack Titus were elevated from the Committee to the offices of Vice-President as replacements for Ray Dunn and Bill Tymms. Ron Carson, Les Flin-toff, Ian Wilson and Bill Wilson, a fine blending of former players and successful businessmen, were elected to the Committee to fill vacancies which arose.

Committee activity was intensive over the season as everyone responded to the urgent need to lift the Club.

The General Committee, as listed at the front of this Report, is divided into various sub-committees whose duties are confined to specific aspects of administration.

Executive and Finance Committees comprised Al Boord (Chairman), Ray Dunn, Martin Bolger, Ron Garraway, Ian Cameron and Graeme Richmond, whilst Chas. Priestley is on the Executive only.

Both Committees were very active, making decisions on policy and supervising the financial structure of the Club.

Selection Committee consisted of Chas. Priestley (Chairman), Len Smith, Dick Harris, Bob Dickinson and Bill Wilson.

The Selectors worked hard on the difficult task of reconstructing the team and 44 players were tried in the 18 matches. We are confident that, after this sorting-out period, the results of their work will soon be appreciated.

Delegates to the V.F.L. Jack Titus and Hunter Smith were appointed by the Committee to represent your Club at "Harrison House," where their ability and demeanour upheld the reputation of your Club at all times.

Social Committee: Chas. Priestley (Social Secretary), Peter Cameron, Chas. Callander, Bill Pitt, Basil McCormack and Jack Titus, in association with members of the Training Room Staff and other co-opted helpers, worked hard on social activities and played an important role in the fund-raising activities of the Club.

The Pleasant Sunday Mornings provided an opportunity for our supporters to come into contact with the players, as well as being a means of promoting friendly relations with country clubs during the finals. The success of these Sunday Mornings was assisted by the fine compering work of Arthur Lyster, the very popular Sporting Editor of 3AW, evergreen Max Reddy and Doug. McKenzie, our keen supporter from HSV7. To these three stalwarts we award a special vote of thanks.

Dances, barbecues and other successful functions were held regularly.

The financing of the end-of-season trip to Surfers Paradise was mainly dependent upon this hard-working Committee. Under the efficient management of Peter Cameron and Al Boord, the trip was an outstanding success and ten pleasant days were spent at "Beachcomber" relaxing after the strenuous season.

To all these sub-committees, who worked so diligently in their leisure-time on behalf of your Club, we accord a sincere vote of thanks for their efforts.

COACH

Len Smith's first term as Coach of your team saw the commencement of a new playing era in football at your Club.

After a successful period with Fitzroy and Coburg, where he earned a reputation as a master of the play-on game, Len was sought as Coach in order to introduce our team to this modern style of football.

1964 proved to be a testing period for our players and some of them experienced difficulties in adjusting their game to this new style. However, we are now confident that your team is playing the type of game which will lift us to the top. Despite his serious illness, Len accomplished much this year and the results of his work have already been shown.

Len is deeply respected by everyone at Richmond and we look forward to him having a long and prosperous association with the Tigers.

THE PLAYERS

A loss of form by some players and injuries to others caused us to use 44 players during the season.

Your team won one more game than in any season since 1957 and showed real signs of improvement despite the fact that, on average ages and in playing experience, we were the youngest team in the League.

We now feel that we have the nucleus of a strong team. A further injection of capable players from this season's batch of highly-rated recruits will provide impetus to our improvement during 1965.

Team spirit reached a new level this season. An influx of eager, young players, inspired by the spirit of Len Smith, brought this revival of the Tiger spirit.

Neville Crowe did a fine job as Captain, under difficult circumstances, with so many inexperienced players in the team. His own play was a continual source of drive to his team.

MEDICAL AND TRAINING ROOM STAFF

Dr. Wilder was appointed to the position of Medical Officer to your Club, in succession to Dr. Grogan who, after such splendid service over many years, retired to a position in a consulting capacity.

Once again, we were fortunate to have the ever-ready advice and assistance of Dr. L. Hudson, the Medical Superintendent of Prince Henry's Hospital, at our disposal. Both Dr. Hudson and the Hospital itself have been very kind to the Club for many years.

John Stanley, our Physiotherapist, continued to help the Club with his expert opinions on injuries.

The Training Room Staff consisted of Alby Keyhoe (Head Trainer), Keith Cleaver, Jim Evans, Lyle Johnson, Ray Julier, Sid McRae (Asst. Head Trainer), Lyle Richmond, John Ryan and Max Watson, with Kevin McEvey our Bootstudder. All of these qualified men tendered their usual sterling service to the Club, both in the Training Room and amidst the social activities organised by the Social Committee.

The quick recovery rate of our injured players this season was a tribute to the efficiency of the Medical and Training Room Staff.

RESERVES TEAM

The Reserves completed a successful season by finishing in second position after being defeated by Geelong in the Grand Final. A series of hard games prior to the Grand Final took their toll and the team was disappointingly defeated. Nevertheless, they displayed a wonderful spirit in fighting through from the first Semi Final.

Following the appointment of Dick Harris as Acting Coach when Len Smith became ill, Bill Wilson and then Jack Titus, for the majority of the time, coached the team successfully. Dick completed the good work upon his return. We are very grateful to these former champions for a job well done.

Bill Pitt (Manager), Sid McRae (Head Trainer), Gary Hender (Property Steward) and Roy Webb (Steward) worked hard to assist their young charges and were rewarded with such a pleasing result for the season.

Alan Richardson was an inspiring Captain of the team and played a major role in lifting his team into the Finals. Alan's presence on the field was a great confidence booster for his young team-mates.

A highlight of the season for this team was Gary Arnold's win in the Gardiner Medal for the best and fairest player in the Reserve Grade League. Our congratulations go to Gary for his fine effort.

UNDER 19 TEAM

The team finished in third position when it was beaten in the Preliminary Final. Serious injuries to two of the team's best players, in the last home and away match, proved to be a real loss and virtually cost the team a wonderful chance of being Premiers.

As their results indicated, Ray Jordon did a wonderful job coaching these boys, three of whom played League football during the season. Others show promise of bright futures ahead of them.

Bert Haswell (Manager), Roy Weston (Recruiting Officer), Lyle Richmond (Head Trainer), and Bluey Wilkinson (Trainer) guided their charges to a successful season in 1964.

FOURTH XVIII. TEAM

Once again our Fourths played off in the finals, but were eliminated in the first Semi Final.

Bill Boromeo has had a fine run of success with this team and his efforts were recognised by the Melbourne Boys' League, who appointed him to coach their combined team this season. Bill has done a great job for your Club by developing these young players.

Bob Stafford (Manager), John Ryan (Head Trainer) and Tom O'Donnell (Trainer) worked hard on the boys' behalf.

TROPHY WINNERS IN SEASON 1964

Jack Dyer Trophy (Best and Fairest)

Neville Crowe repeated his success of the previous season in this award. After a slow start in the early games of the season, Neville had his best season to date. His fine play placed him in the top bracket of ruckmen playing the game and earned him another State guernsey.

Second Best and Fairest

During his second season with the Club, Bill Brown was selected to represent the State and his fine play on the wing also won him this trophy. A courageous and capable player, Bill's attitude to the game sets a fine example for his team-mates to follow.

Third Best and Fairest

Fred Swift was adjudged to be the third best and fairest player after a fine season at full-back. Fred was one of our

consistently best players for the season and his hard, tough attitude is a model for all young players to follow.

Bill Cosgrove Memorial Trophy

Rated the recruit of the year by many critics, Kevin Smith won this trophy for the Club's best first-year player. Kevin came to us from Myrtleford, where he was coached by our former champion, Ron Branton, and he certainly lived up to Ron's high opinion of him. Kevin has a fine V.F.L. career before him.

Most Determined Player

After an early-season worry of a persistent knee soreness, Bill Barrot played on with a characteristic determination and finished the season in fine form. Bill is one of our key players of the future.

Most Improved Player

Showing an improvement on his previous season, Ross Warner won this trophy and shows signs of a bright career in front of him.

Most Promising Player

Don Davenport is a player with a future in V.F.L. football. His polished play on the wing and when roving, showed the benefit of his two seasons in our Under 19 Team.

J. J. Smith Trophy

The best and fairest player in your Under 19 Team was Maurie Deery, who came to us from that fine football school, St. Patrick's College, Sale. Maurie's fine form in the Under 19's earned his promotion to our 1st XVIII., where he showed distinct promise.

Fourth XVIII. Best and Fairest

Maurie Parker repeated his win of the previous season in this award, despite an unlucky injury prior to the finals. Maurie shows promise of a bright future.

LIFE MEMBERSHIPS

After 11 years' service on the Committee of your Club, Ron Garraway has been recommended for the Life Membership List of the Club.

Neville Crowe and Roger Dean, after eight playing seasons with the Tigers, have been similarly honoured.

To these recipients of this honour, we offer our sincere congratulations and thank them for their splendid service to the Tigers.

RECRUITING

Following an early-season failure of several of your leading players to show their real form, it became obvious that recruiting efforts would again need to be intensive. Every effort has, and is, being made to secure the type of players the Selectors feel is required to improve your team. Competition from other Clubs in this sphere of football administration is always very keen, but we feel that we have again been successful in securing players of a high calibre.

Your Recruiting Officer, Les Flintoff, was busy during the season and covered many miles searching for players of some potential. Les received excellent support from Leo Rush and Jack Spooner, a Coterie member, who maintained a constant liaison with promising players.

Jack Dyer, your former champion player, still retains his great enthusiasm for this recruiting activity and is a tremendous asset to the Club, because his fame is as great as ever.

Other former players who have been of great assistance to us during the year were Roy Wright, Alan Cations, Ron McDonald, Alan Cooke, Ron Irvine, Frank Munro, John Thompson, John Ryan, Graham McCartney, Ron Branton, Ray Stokes, Brian Boland, Tom Simpson, Tom Hafey, Ted Langridge, Jack O'Rourke, Jack Eames, Peter Morris, Brian Turner, Bill McKenzie, John Nix, Ron Serich, Ray Horwood, Wally Hillis and Tony Murphy, and to them all we are deeply indebted for their efforts on behalf of the Club.

Local scouts in country areas who have given much time and energy to this work are Kevin Fennessey, Harry Jenkins,

Bill Walker, Stan Aitken, Alan Thompson, Keith Webster, Barry Connolly, Tammy Hogan, Stan Wickham, Jack Oppy, Frank Maguire, Jim Bourke, Alan Turner, Peter Stewart, Frank Scully, Bon and Bess Carter, Tony and Loretta Findlay are but a few who have assisted in securing young players for the Tigers.

As a result of these efforts, players who have been signed and will appear at Richmond are listed below. Several other players are still being pursued in an effort to persuade them to join the Club next year and high hopes are held that several of them will do so, but at this stage, naturally, we are unable to name them.

THE COTERIE

This very active group of businessmen, which supports your Club in many useful ways, was busier this season than ever before, working in our best interests.

In order to give a greater impetus to our recruiting drive, the Coterie was enlarged in order to include many new members. Their efforts in seeking suitable employment and accommodation has been of real assistance in securing new players for the Tigers.

To all members of the Coterie, we offer our sincere gratitude for the work they have done for us in 1964.

The President and Members, R.F.C., Ladies and Gentlemen,

I report that subject to the following notation I have examined for the year ended 31st October, 1964, the accounts and records of your Club to which the Bank Accounts as set out in the Balance Sheet of the Club at 31st October, 1964, relate.

Records relating to Social Club Accounts have been inspected by me but have not been subject to complete audit due to the fact that receipts of such account cannot be satisfactorily verified.

I report, that subject to the above notation, in my opinion, the Balance Sheet at 31st October, 1964, is properly drawn up and shows a true and fair view of the position of the Richmond Football Club at such date according to the information afforded me and as shown by the books and records of the Club covering the transactions of the Bank Accounts as set out in the Balance Sheet and that the Income and Expenditure Account for the year ended 31st October, 1964, is similarly, accordingly to the transactions of such Bank Accounts and information afforded me, correctly drawn up so as to show a true and fair view of the transactions for the year.

27th November, 1964.

BRUCE W. L. DOIG, Chartered Accountant.

SECRETARY'S ADDENDUM

The leadership of our President, Ray Dunn, has placed our Club in its strongest position for many years and I would like to publicly thank him for the encouragement and inspiration he has given me during the past season. We are indeed lucky at Richmond to have a leader of his calibre so devoted to the task of restoring the Tigers to the top.

Maurie Fleming, our Patron, has been of his usual great assistance to me and I am very fortunate to have easy access to his vast experience in football administration and to his wonderful friendship.

Ian Cameron, our Treasurer, and Joe Combes, my Assistant, have also helped the Club by relieving me of many onerous tasks.

I would like to make a special mention of the marvellous inspiration that I, like so many others at Richmond, have received from my association with Len Smith, who has worked such wonders in improving our ideas on football.

There is still much hard work to be done at Richmond, but we are definitely on the improve and I sincerely feel that we shall offer a serious threat to every team in the League in Season 1965.

—Graeme Richmond, Secretary.

PRESIDENT'S ADDENDUM

In my first year of office as President, I feel that the Club has made some progress forward on the playing field and that having regard to the difficulties encountered through the illness of the Coach, and the inexplicable lack of form of several senior players, we can look forward encouragingly to the 1965 playing season.

We are indeed fortunate that we have in our Secretary, Graeme Richmond, the best recruiting officer that I have ever known in League football and the recruits he has obtained coached by Len Smith will undoubtedly make Richmond climb quickly up the League ladder.

I am particularly fortunate in having behind me a Committee, each member of which, is a dedicated worker for the Club and I must thank particularly the Secretary, Graeme Richmond, the Deputy President, Alistair Boord, and the Chairman of the Social and Selection Committees, Charles Priestley, for the splendid assistance they have given me during the year.

We have taken a great step forward in negotiating to transfer our playing activities to the Melbourne Cricket Ground, but I believe that this move will greatly improve the Club, particularly if we can carry out the plans we have in mind to create a general Sporting Club at the present Richmond headquarters.

With the support of our loyal members, I look forward confidently to a bright future for the Club.

—R. H. Dunn, President.
